Future tenses

Will/won't

1. We use will for predictions about the future (without evidence)
2. We use will for decisions made at the time of speaking (in that moment/just then)
3. We use will for offers, requests and promises

e.g. I will win the lottery one day.

*without justification

Going to

1. We use going to for predictions (with evidence)
2. We use going to for plans and intentions

e.g I am going to pass the exam because I found it very easy.

*If it is justified with because/as/since

Present continuous

1. We use the present continuous for arrangements in the future (fixed plans)

e.g I am meeting my girlfriend in the shopping mall at 11:30.

*Specific time. Plans have been made
