Illegal drugs and substance abuse

1. In recent years we have seen a sharp increase in the number of accidental deaths due to drug use. What is the cause of this?
2. Should drugs like cocaine be legalized in order to control their consumption?
3. Crime related to drugs only exists because of the illegality of them. How far do you agree?
4. Would you say that it is normal for teenagers to experiment with drugs such as marijuana?
5. Should alcohol be made illegal?
6. Why do humans consume mind altering substances such as LSD and acid?
7. Do you know anyone with a drug problem? What problems did they have due to this terrible addiction?
8. It is known that not all people who consume drugs become addicts, so is it ever ok to take drugs?
