Part 2: Speak for one minute comparing the images and answering the questions

What might these people remember about these moments in the future?

How would you say they are feeling?

Intercambioidiomas

Part 3: Speak with your partner about the situation and try to find an outcome:

Why might people be motivated to learn a foreign language?

- Employment opportunities
 - Travel
 - Enjoyment
 - Meet new people
- Education (grants and scholarships)

Part 4: discuss these follow on questions with your partner

1. What are the benefits of a bilingual education?
2. What might be the drawbacks of a bilingual education?
3. What is the best way of teaching a second language in state (public) education?
4. It may surprise you to know that over 50% of Europeans are actually bilingual, what is your opinion on this?
5. It is said that learning a foreign language opens your mind, would you agree?
